Dear Family of Faith,

Our liturgical year begins on the first Sunday of Advent, which is the weekend of the 28th–29th.

We will be having an Advent Brunch on the second Sunday of Advent, December 6th, immediately following the 10 a.m. Mass. If you are a Saturday night Mass goer, please get to church by 10:45 a.m. on Sunday morning. This brunch will be more like an early Sunday dinner with ham and the trimmings. YES! Kaye, with real potatoes, not boxed, and fresh, not canned, vegetables. There is a sign-up sheet in the Gathering Space so we know how much food to prepare. We want enough to satisfy everyone, but not too many leftovers. Please feel free to invite family members, neighbors, and friends. The more people, the better the celebration.

I love the season of Advent, but I find that it is a season that is often overlooked or just "gotten through" to get to Christmas. How do you CELEBRATE this beautiful season of preparation and renewed insight into the humbleness of our Lord and His earthly parents? Do you have an Advent wreath in your home that you light? Do you read the Gospel accounts out loud to family members of the Annunciation and Visitation, and do you compare it to modern day life in the United States? Will you celebrate with a scriptural based Advent calendar? If you are a parent or grandparent or both, or even a family member, recall and retell your experiences waiting and/or worrying about the arrival of the baby. Try to relate your story to that of Mary. Really think about how you will celebrate this season by softening your own heart to be humble and welcoming for the coming of the Lord, just as Mary and Joseph. Advent is a season of great joy and anticipation — let's not rush through it by getting to Christ's Nativity too fast.

It's time to think of end-of-the-year giving. We are a blessed people. Pope Leo encourages us to use our wealth to make a difference in our world. Here in the parish, would you consider making a donation to the bell restoration fund? The Saint Ann Endowment Fund? And in the greater community, would you consider: Toys for Tots, especially for teenagers? Senior Resource Center, Meals on Wheels? Saint Philip Episcopal Church's Baby Pantry? BACN? Lighthouse Pregnancy Center? Or any organization that cares for people in need. You don't have to give a lot to make a big difference. Like we've been taught by more than one saint, do small things with great love.

I love you all,

Kristin
